

CK-601 SILICONE GEL HEEL CUPS INSTRUCTIONS

Directions:

- Remove heel cups from packaging.
- Loosen shoe laces.
- Insert heel cups into heel of shoe.
- insert feet into shoes, tighten and/or adjust lacing for fit and comfort.

Caution:

- Only use with casual or dress shoes that have proper heel counters/heelcaps.
- Do not use with sandals, flip-flops, or slippers.

Care Instructions:

- Spot clean with mild detergent and damp cloth.
- Do not soak or immerse fully in water.
- Air dry, do not reinsert in shoe until dry.
